The Term 1 course for 2026 will commence on Saturday, 24 January.

This term represents the final stretch for Year 6 students as they prepare for independent school scholarship exams and selective school placement tests scheduled for 1<sup>st</sup> and 2<sup>nd</sup> May.

Now is the ideal time for students to strengthen their understanding and sharpen their skills in preparation for these competitive exams. To ensure a thorough review of key content and the development of effective test-taking strategies, we strongly recommend enrolling in both our WEMT and STTC courses.

## Year 6 WEMT Course

The Year 6 WEMT course is designed for students ready to commit to regular weekly modules in preparation for the 2026 selective school and independent school scholarship exams. It provides a strong academic foundation while building essential test-taking skills across key subject areas!

- **Build a strong foundation** for the 2026 scholarship and selective school exams with targeted practice in writing, reading comprehension, mathematical reasoning, and critical thinking.
- **Develop powerful writing strategies** by learning how to structure, organise, and present persuasive arguments clearly and effectively.
- **Master reading comprehension** with skills to approach complex texts and multiple-choice questions.
- **Simplify mathematics** by understanding core concepts, formulas, and applying effective problem-solving techniques.
- **Sharpen thinking skills** with engaging exercises that develop reasoning, logic, and analytical ability.
- **Choose your learning Journey.** We offer two flexible options to fit your needs:
