2027 Year 6 Summer Writing for Selective

Build Confidence and Excel in Selective Writing!

The Writing Test is an essential component of the Selective School Exam and carries the same importance as the other exam sections. To help students maximise their performance, our 5-day Writing for Selective Course provides focused preparation across a wide range of writing forms commonly encountered in selective school exam.

Students will learn the key structures, language features and techniques required for each writing style, then apply their knowledge through computer-based testing practice tasks and guided reviews. This structured approach helps students develop confidence, improve writing fluency and become familiar with exam conditions.

2027 Year 6 Summer Thinking Skills for Selective

Develop your Thinking Skills for Selective Exam Success!

Our 5-day Summer Thinking Skills Course is specifically designed for Year 6 students preparing for selective exam thinking skills test. Through a structured program of challenging activities and exam-style questions, students will learn how to analyse information, evaluate evidence, identify flaws in reasoning, and apply logical strategies to solve complex problems.

The course focuses on the two key areas assessed in selective school exam: Critical Thinking and Problem Solving. Students will strengthen their ability to think logically, reason effectively, and approach unfamiliar questions with confidence.
